

THE ALLSTATE FOUNDATION/VHSL ACHIEVEMENT AWARD

The Process

Nineteen \$1,500 scholarships will be awarded during the school year, honoring one male athlete, one female athlete and one academic activities participant in each of the VHSL's group classifications plus one student from any group who has overcome incredible odds to make significant contributions to athletic and/or academic activities. Only students graduating during the school year will be eligible for the awards.

Each VHSL member school is encouraged to nominate four students, one student per category (male athlete, female athlete, academic activities participant and courageous achievement) for the scholarships. **Applications must be submitted by the member school. Independent submissions will not be considered.**

The Andrew Mullins Courageous Achievement Award recognizes a male or female student representing a school in any of VHSL's six enrollment groups. The award goes to a student who has made significant contributions to one or more VHSL athletic and/or academic activity and who 1) either currently has or has overcome a serious illness, injury or disability; 2) has overcome great adversity, such as challenging social or home situations, in a positive way; or 3) other extraordinary situations, where the student has displayed tremendous courage against overwhelming odds. The nominee must meet all other requirements for Achievement Award selections. At least one of the letters of support must document the unusual circumstances the student has overcome.

Nominations will be reviewed by a committee of education, business and media professionals which will select one student from each region as the outstanding participant in boys and girls sports and academic activities. The best of the regional winners will win the state awards. The committee will also select one student from each group for courageous achievement, one of whom will win the state award.

Candidates must have previously won a varsity letter or the equivalent in one of the following sports: baseball, boys or girls basketball, cheer, boys or girls cross country, field hockey, football, boys or girls golf, gymnastics, boys or girls indoor track, lacrosse, boys or girls outdoor track, boys or girls soccer, softball, boys or girls swimming, boys or girls tennis, boys or girls volleyball and wrestling; or the academic activities of debate, drama, forensics, creative writing, newspaper, yearbook, magazine, scholastic bowl or film festival to be eligible for the award.

All applications must be postmarked or delivered in person to the VHSL office no later than March 15. Applications that fail to meet that deadline will not be considered.

Students with an immediate family member (spouse, mother, father, sister, brother, ward, daughter or son and their respective spouses, regardless of where they reside) employed by The Allstate Foundation ("Sponsor"), Allstate Insurance Company, any Allstate insurance agency and persons living in their same households, whether or not related, are not eligible to enter or win this scholarship. An eligible minor must have his/her parent's or legal guardian's permission to enter. Void where prohibited by law. Program is subject to all applicable federal, state and local laws.

Awards will be presented on the following criteria:

- A minimum cumulative grade point average of 3.0 on a 4.0 scale.
- Students must have previously won at least one varsity letter or the equivalent in the VHSL sport/academic activity in which they are applying for the award.
- Involvement in other school-sponsored activities.
- Involvement in activities outside of school (work, charities, etc.)
- Two letters of support

- A maximum 500-word typed student essay describing how extracurricular activities have enhanced his/her educational experience.
- A head and shoulders photograph.

The Awards

State winners will receive silver bowls and \$1,500 scholarships at a luncheon. State winners' high schools will also receive commemorative bowls.

All scholarship money will be paid directly to the institution of higher learning selected by the winner for the first year of course work. Scholarship winners must be enrolled at the institution by Oct. 1 of the current year, to receive the award.

Schools are encouraged to recognize their nominees in the same way they would honor their valedictorian and salutatorian.

Virginia High School League

Virginia's public high schools, through their alliance as the Virginia High School League, serve their youth by establishing and maintaining standards for student activities and competitions that promote education, personal growth, sportsmanship, leadership and citizenship.

Allstate
