

## **2016 Virginia Cheer Coaches Conference**

The VHSL, in partnership with Varsity Brands, is pleased to present the 2016 Virginia Cheer Coaches Conference July 9-10 at The Great Wolf Lodge in Williamsburg, Virginia. The conference offers a tremendous opportunity for coaches and cheer officials to receive invaluable instruction in safety, skill development progression, and other hot topics from industry leaders from across the country. Sessions include stunt techniques and safety training for all levels, social media, hazing and bullying prevention, conducting efficient and productive practices, and creating a positive culture within your program and school. Moreover, coaches can receive AACCA safety certification, receive the NFHS rules changes, as well as receive additional score sheet and rubric training. As if all of that were not enough, participation in this conference will satisfy the rules clinic requirement for the 2016-17 academic year.
