

# VHSL STUDENT LEADERS CONFERENCE 2017 HOSTING APPLICATION

Interested in hosting a VHSL Student Leaders Conference? Typically, the SLC rotates to a different VHSL school each year to provide another member school in a different part of the state an opportunity to take the lead as host, and share its school and community resources and ideas as only a host can do. Target areas are Northern Virginia, Eastern Virginia, Central Virginia and Southwest Virginia. In 2018, the conference target area is Central Virginia. If you are interested in hosting an SLC, please submit your proposal to Lisa Giles ([lgiles@vhsl.org](mailto:lgiles@vhsl.org)) no later than June 1.
